Subject: Pacific Border Crossing Complaint
Importance: High

To Whom It may Concern:

The recent events surrounding the unlawful blockage of our roads and services has become unacceptable. As of tonight the Pacific Border Crossing remains closed to personal vehicles and forcing residents to cross through the main Peace arch or other crossings at great time and expense to us all.

When will the City Of Surrey take command of this situation and instruct the local authorities to completely dispose of these unlawful road blocks and inconveniencing the thousands of people that use this crossing regularly? This is UNACCEPTABLE!!!
